

Abi Moore Scholarship

The Abi Moore Scholarship was created to honour Abi Moore who exemplified the values of community and never leaving anyone behind. Her dedication and passion for the sport of running led to the development of a growing running community in Fernie which continues to this day through Stag Leap Running Co. Abi was a born leader, a devoted friend, a loving wife and dog mom, and someone who always put up her hand to help others.

This scholarship is for women who have gained strength and confidence through the sports of running, swimming, Nordic and downhill skiing as well as through music and art, and wish to continue to pursue these activities at a post-secondary institution. This is an opportunity for someone to demonstrate their community leadership and volunteerism, individual determination, future goals and self-motivation. This scholarship is evaluated on both merit and academic achievements.
