Holiday Food Drive

Our annual Food Drive will be running from December 1–15 in collaboration with the Fernie Food Security Society, and each class will receive a collection box by the end of the week! This year, we have been asked to focus on specific high-need items, including candy canes, pasta sauce, pasta, hot chocolate, cranberry sauce, mini marshmallows, Rice Krispies, granola bars, granola, syrup, pancake mix, pretzels, gravy mix, peanut butter, salad dressing, apple sauce, chicken broth, and crackers. If your family is able to contribute, we would be so grateful, as every item makes a difference for local families. As a fun incentive, the Block A class that brings in the most total items will win a pizza lunch! Thank you for supporting our school community and the Fernie Food Security Society this holiday season.

Angel Tree Fundraiser

From December 1–15, our school will be running an Angel Tree in the office, open to all staff and students who wish to support a local child in need this holiday season. The tree will be decorated with paper angel tags (each listing the age, gender, and wish list of a child), and these will be ready by the end of the week. Anyone who would like to participate can take an angel from the tree, scan the QR code to record their name and the child's number, purchase a gift of approximately \$50, and return it wrapped to place under the tree. All donated gifts will be delivered to families in our community before Christmas. Thank you for helping us spread holiday joy and support children who could use a little extra brightness this season.

Candy Grams

We will be selling Candy Grams in the week leading up to Spirit Week in Traynor Hall, with candy canes available for \$1 each at lunchtime. All proceeds will go directly to the Fernie Food Security Society, supporting local families during the holiday season. Candy Grams will be delivered to students during Block A on Wednesday, December 17.

Movie Night: Thursday, Dec 11, 6:30pm-10pm

On Thursday, December 11, we'll be hosting a fun School Movie Night for students in Traynor Hall. The Junior Movie will run from 6:30–8:00 PM, followed by the Senior Movie from 8:30–10:00 PM. Tickets will be available for \$2 both during the week prior in Traynor Hall at lunch and at the door, with all proceeds going to support the Fernie Food Security Society. Students are encouraged to dress cozy and bring some cozy seating options! A variety of snacks will also be available for purchase throughout the evening. Please enter through the gym doors.

Shoulder Season Highlights with Mr. Gulyas

Although this month brought a true shoulder season with a tiny bit of snow, students kept the energy high with positivity, movement, and strong engagement. Classes stayed active and connected, and we are excited for winter programming once conditions finally arrive.

Grade 7 and 8 Physical Education Highlights: ALL Grade 7 and 8 students jumped into upbeat, collaborative PE activities, including our hula-hoop skipping challenge, and group skipping challenge which all demanded rhythm, coordination, and teamwork. Students also all went through active and collaborative hygiene lessons. Students brought huge enthusiasm to the school-wide Just Dance session on Halloween. A meaningful visit to the Fernie Cenotaph allowed students to show respect, reflection, and thoughtful community engagement.

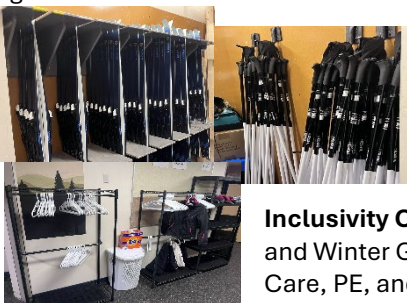

PE 10 – Avalanche Canada, Opioids, Relays and Skipping:

PE 10 students completed essential learning sessions on opioid awareness, backcountry safety, and Avalanche Canada, building important knowledge for safe decision-making in our mountain region. Classes also dove into high-energy skipping challenges and fast-paced relays that showcased outstanding teamwork, strong communication, and impressive cardio effort. The Grade 10s brought real drive and fun to every challenge.

Careers 10 and College of the Rockies: Careers 10 students explored post-secondary pathways during a visit to the College of the Rockies, learning about opportunities in Culinary Arts, Welding, Outdoor Adventure, Business, and Kinesiology. Presenters later visited FSS to expand on Business programs, Youth Train in Trades, Dual

Credit, and Work Experience options. Students showed strong engagement and curiosity as they planned future goals.

PE and Outdoor Education – Ski and Snowshoe Update: Although snow has not arrived, preparations are complete. Our new cross-country ski fleet and snowshoes are *almost* ready for action, and students will begin Nordic skiing and snowshoeing as soon as conditions allow. Thank you to EVR, Fernie Nordic Society, Abbi Moore and the Emily Brydon Foundations, Fernie Lions Club, and FSS PAC for supporting this exciting program.

Inclusivity Clothing and Winter Gear Storage Project: New this year, is the Inclusivity Clothing and Winter Gear Storage Project. This initiative continues to grow with support from PAC, Youth Care, PE, and Student Services. This project hopes to allow a space for all students to have access to warm, reliable clothing for outdoor activities. Donations of teen-appropriate clothing—

shoes(basketball/hiking/court), boots, hats, gloves, snow pants, sweaters, t-shirts, and shorts—are greatly appreciated.

This month has been full of active learning and strong effort across all classes, from energetic PE sessions to Careers students exploring real pathways for their futures. Here is to hoping winter finally turns on the tap and brings us some big, beautiful POW days soon!

Great hustle everyone, Mr. Gulyas
