In the Grade 2 classroom, we use a communal supply system for items such as pencils, glue sticks, erasers, and markers. Instead of each student having their own individual set, supplies are shared and organized so all students can access what they need throughout the day. This approach helps ensure that everyone always has the necessary materials without concern about lost or worn-out items, and it supports a steady supply of materials throughout the school year.

Items may be purchased on your own or you can purchase online through McWhirter Office Solutions. Price for the Grade 1 package is \$ \$60.58 (taxes included) See reverse side for QR Code and Link.
