# PAC NEWS

Dear Steeples Parents,

As we begin looking at the upcoming school year, we want to take a moment to recognize the incredible work Jacqueline has done as our PAC Treasurer. She has dedicated a tremendous amount of time and care to keeping PAC running, our finances organized and ensuring that the funds we raise go right back into supporting our students and school community. Her commitment has helped make so many of the opportunities our children enjoy possible.

Jacqueline's children will be finishing their time at the school at the end of the next school year. After all the years she has generously given to PAC, she has more than earned the chance to take a well-deserved break and focus more on helping in other areas within the school and activities with her kids.

To help make this transition smooth, we are hoping to find a Treasurer-in-Training for the remainder of the year. This person would work alongside Jacqueline, learning the role with her guidance and support, and then step into the Treasurer position for the 2026/2027 school year. It's a great opportunity to get involved without feeling like you have to learn everything all at once.

The Treasurer role is incredibly important to PAC, helping manage fundraising funds and ensuring we can continue supporting field trips, school activities, and classroom needs that benefit all our students.

If you've ever considered getting more involved in PAC, this would be a wonderful way to learn the role with an experienced mentor and help keep our PAC strong for the future.

Thank you again to Jacqueline for the dedication and care she has shown our school community. If you are interested in learning more about the Treasurer-in-Training role, please reach out—we would love to chat with you.

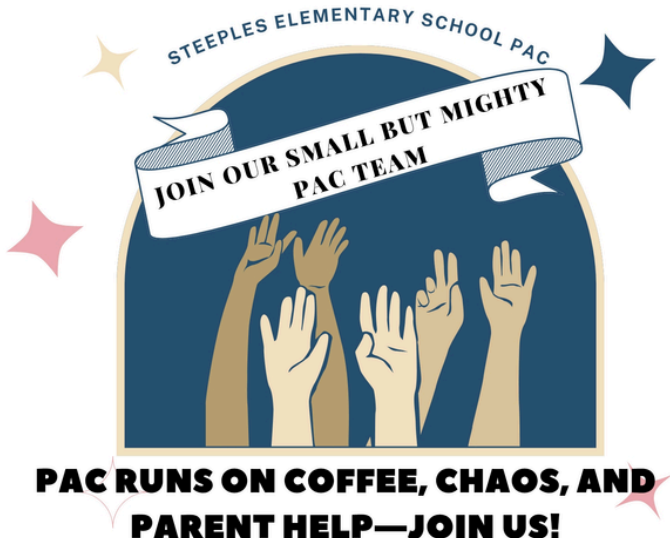

With appreciation,

Steeples PAC Executive
