Please label every item with students’ name

Please only send the supplies on the list above. Items do not need to be new—we encourage families to reuse supplies from previous years whenever possible.

Please note: The attached supply list provides a general overview for all intermediate grades. As teacher preferences may vary, the school has also bulk ordered additional classroom supplies. These items will be purchased by the school and charged to your child’s School Cash Online account in the fall.

Once class placements are finalized in September, teachers may request additional items—such as an agenda, lined paper, a journal, highlighters, dry erase markers, Sharpies, or correction fluid—which will also be **added to your child’s account**.

As a convenience for families, you may scan the QR code provided to be directed to the McWhirter Office Solutions website. From there, you can purchase a package of student supplies based on the list above. These supplies will be delivered directly to the school in time for your child’s first day. Please note that items ordered through this service will not be labeled.
