## PANDEMIC RESPONSE

## Background

The District, in cooperation with the provincial government and the Interior Health Authority, supports efforts to minimize a pandemic and its disruption to the operational activities of the District. Principals/Vice-Principals and staff are expected to ensure the most effective and efficient use of resources for the maximum benefit and protection of students, staff and facilities.

## Procedures

- 1. In the event that the Interior Health Authority identifies evidence of a significant influenza outbreak in the region, the Superintendent has the authority to make final decisions regarding crisis response. When a state of emergency is declared by a Ministry of the Government, the particular Ministry will have such authority.
- 2. The Superintendent will communicate a standard set of response protocols, in a <u>Pandemic</u> <u>Response Plan</u>, for dealing with a pandemic to ensure that members of administration and staff are familiar with roles and processes in the event of an outbreak.
- 3. In accordance with directives emanating from federal and provincial authorities and the consequent circumstances that may prevail, the Superintendent may temporarily suspend the District's current practices and operating guidelines.
