Camp Tournesol

Since 2001, Camp Tournesol has provided French camps in the GTA for tens of thousands of children. Whether your child is Francophone, in French immersion, or has no French experience, we have a day camp or an overnight experience for them. Fun activities included! Campers in all of our programs enjoy weeks jam-packed with activities designed to support and enrich French learning in Ontario beyond the school walls.

Language modules include a wide variety of instructional strategies for learning in formal and informal settings. For example, arts and crafts is a time for campers to flex their artistic muscles while interacting in French in an authentic task. From cooperative learning to structured simulations, the creativity module engages campers' imagination and social skills in creating a shared skit, song or dramatic piece. Counsellors teach and model new vocabulary and sentence structures, adapted to

each child's French level. These are then applied in the course of our modules such as team building, sports and favourite camp games like cat and mouse, choir master and "What time is it, Mr. Wolf?"

In this supportive context, kids are encouraged to share, learn, and try new things. Activities and themes change week to week. Let's have Fun in French this summer!

Les Jeunes de jadis is a unique historical camp for boys and girls in Quebec where children discover the past in a fun way. Wearing period costume, young people experience the daily life of our ancestors. Under the supervision of instructors, more than 30 new workshops are available each year.

Wilvaken

Since 1958, Wilvaken has promoted both language learning and skill development in a natural environment. Now in its third generation as a family-run camp, we continue to encourage free choice so that our campers can develop skills with passion. Our bilingual program allows youth to listen and interact with friends from around the world who speak a different first language. Many of our campers come to learn and practice either French or English. Most of our staff is bilingual, and we challenge them to use our language of the day on a regular basis. Cabin groups are mixed with English and French-speaking campers, and all our activities are offered bilingually. Our Wilvaken community welcomes youth from around the world, and we want you to discover its spirit! Together, we create the Wilvaken family, where everyone knows your name! Join us for our 60th anniversary this year!

Key Tips – First Time Summer Camp Experience

- Visit and tour the camp prior to their first day. Talk with your child about what to expect at camp to reduce anxiety.
- Call other parents whose children attend the camp for helpful information and schedule a get together so your camper can start getting to know their camp friends.
- Get excited with your child by marking the first day of camp on the calendar and creating a checklist of items for camp.
- Talk to your child about homesickness, communicate confidence in his/her ability to handle being away from home.
- Write your child letters early on because "Mail Call" is a big event at camp.
- After your child returns home, encourage them to maintain their friendships through e-mails and phone calls.

FrancoForum

Teenagers have a unique summer opportunity offered by Canadian Parents for French Nova Scotia. Students in French immersion can participate in a cultural visit to the French island of St Pierre, located offshore Newfoundland. It is reached by a 75-minute flight from Halifax. As the island is a part of France, a visit to St Pierre will give students studying French a genuine exposure to a taste of France while remaining close to home. As this is an international destination you'll need to bring your Euros and electrical converters, and you will get a stamp on your passport! CPF Nova Scotia's group to St Pierre in July will be hosted by the *FrancoForum*, a St Pierre based French language and culture institute affiliated with Memorial University.

Campers will be chaperoned by Canadian Parents for French personnel and will be billeted with host families for the entire stay. Campers are required to speak French at all times while learning about the island and its unique traditions.

Activities students can look forward to include: crêpe making classes, beach excursions, sports and recreation, a bakery visit, an introduction to the Basque sport of *pétanque*, social activities, treasure hunts and much more.

Staying in host families will also broaden the experience. Host families prepare and serve all meals and, with the full gamut of activities also on offer, students will be exposed to many ways to communicate in French.

Specific inclusions are: return airfare from Halifax to St Pierre, travel insurance, accommodations with a host family including three daily meals, admission to the *FrancoForum* for all activities, transportation and logistical arrangements on the island. **Students will be required to supply their own passport, transportation to/from Halifax airport, and personal spending money.**
