RE: Courtesy Rider Changes

Please be advised that due to a bus-overloading situation, as of Tuesday, November 13th, 2018 we will no longer be able to allow courtesy riders to be transported on our school buses from IDES. In order to accommodate our registered bus students, we will allow them to be dropped off at a secondary stop for daycare purposes or activities at a designated stop closest to the activity with written permission from the parent or guardian.

Transportation for after school activities and play dates for courtesy riders will have to be provided by parents or other designate. Safety for our students is our utmost concern and an accurate passenger list is essential.

Thank you for your attention to this matter.
