Presentation May 24th by Gary Anaka

Ministry of Health has food guidelines, schools are required to follow and may impact IDES (pizza day)

Expecting check from DPAC for Teacher Gift

8. Expansion Update: Charlie Sawatzky

Start putting fences up for construction next Monday

Building permit approved, trades mostly secured can start with foundation work

Still working on bus route/pick up/drop off. Expansion off one way street and parking restriction on east side of 2nd ave. Still looking for traffic solutions with designer. Still waiting on agreement.

Ideas from PAC meeting regarding traffic concern on 2nd ave: Initiate positive campaign to walk/bike and review % students taking bus, staggered start time, move sidewalk to widen up the road, closing 2nd ave parking all together, moving buses to 13th, quick drop off zone on 13th in place of bus parking, PAC/Teacher education for a period of time during drop off/pick up
