## Intramurals

If you're interested in intramurals, look out for the posters around the school, as well as the morning announcements.

Our current sport is dodgeball and the finals will be happening soon! There will be open gym when dodgeball is over, followed by basketball intramurals.

## Seniors night

To celebrate our senior girls and boys volleyball teams, they played each other last week in an exciting and challenging match. The whole premise of the night was to celebrate the grade 12 players.

The first two sets played, it was grade 12 boys vs grade 12 girls, with the girls winning both sets strongly on their own net height. The third set played was the grade 11 girls vs the grade 11 boys, with the boys winning this set.

If you have any submissions or ideas please contact us on the Instagram.

## Interview with Mr. Taylor

**Q:** In elementary school what did you want to be when you grew up?

**A:** “In elementary school I wanted to be a police officer”
