Food Drive

Student council organized a food drive before winter break. Each class was tasked with bringing in items. The class with the most items was awarded a Boston Pizza Lunch. With over 250 items, the class with the most items was Ms. Elliot's Physics 12 class. Thank you to everyone who brought in items and helped those in need during the holiday season.

Joke of The Week

Why was the
Snowman upset?

Because he
had a
meltdown!

Sports Spotlight

The Junior Boys Basketball team competed this weekend in Nelson. The team fought some close games but eventually finished 1st. Stay tuned for more basketball events as the season begins.

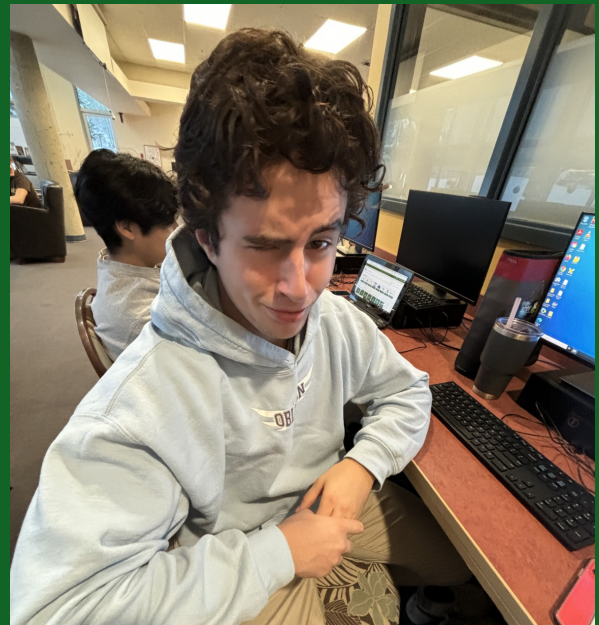

Spirit Week

It was a successful and busy week thanks to Wyatt Weber and Gavin Whittington's Capstone project! During lunch on Monday there was a student vs Teacher basketball game. Congrats to the teachers for the win! On Tuesday there was a Holiday Craft fair during lunch and in the evening from 6-7 pm. That same evening there was a Lego Batman movie night starting at 7 pm. On Wednesday there was a school dance from 6-8pm. Then on Thursday, Summer hosted a clothing swap taking place during lunch in the Science Lab upstairs. Finally, on Friday there was a school-wide scavenger hunt as well as stations ran by student council taking place in the afternoon.

If you have any submissions or ideas please contact us on the Instagram.

Interview with Tomas

Q: If you could have any superpower, what would it be and why?

A: I would choose teleportation so that I can travel anywhere in the world.
