

September 1, 2020

To All SD5 Staff:

We wanted to welcome you back to a very unique year. During August, our District JOHS committee as well as school JOHS committees have been meeting to discuss and implement the health and safety protocols from the Provincial Health Officer and the Ministry of Education, which includes WorkSafe BC and the BC CDC guidelines. We feel it is important for us to connect and share with you our COVID-19 Operational Plan that the committee has been working on and give you an opportunity to ask questions.

All staff in SD5 are requested to participate in an online meeting via Microsoft Teams on September 8th and 9th at 9:00 a.m., on both dates. Please watch for a Teams invitation link delivered to your inbox by the end of this week. If you are unsure of how to use Microsoft Teams, please check with your immediate supervisor and they will be able to help you.
