## YEAR END NOTES

During the final month of this school year, we ask families to support students and encourage them to do their best to stay focused on school. This can be a difficult task with upcoming holidays, warm weather and busy schedules. As teachers are working tirelessly to wrap up coursework for students, we hope that students are working just as hard to finish off assignments and tie up loose ends. Maintaining positive behaviour and following our cell phone policy are also extremely important. These simple steps help to reinforce a learning environment.

We look forward to seeing everyone in September. Best wishes to our grade 9s as they move on to high school.

## LOCKER CLEANOUT

Students will be given time during designated days to cleanout their lockers. This includes removing all personal items and stickers, etc. Please have them bring bags to take their items home. Once lockers are cleaned students may place the bags back in the locker to be stored and taken home by Monday, June 24.

## Odd Squad Presentation June 11 at Key City Theatre 12:30-2 pm

The Truth About Gangs presentations provided by [Odd Squad](#) police officers are multi-media and reality-based, drawing on years of experience in dealing with Gang issues. Audiences for these presentations range from elementary school to university-age students, community groups, parents, and at-risk youth. Presentations are age-appropriate. The objective is to provide youth with the tools, resources and knowledge to avoid the dangers of the gang lifestyle.
