Principal's Report

Lots of surveys are going on, A student learning survey was recently sent to parents, please fill it out to provide feedback as it's appreciated. Pink Shirt Day was celebrated and hosted by Leadership students in a classroom setting, it was successful. The conclusion of Black History Month included a movie, school admin planned a trip to the theatre to see the Bob Marley movie but not enough interest, believed to be due to the cost (\$30 which included the movie, snacks, and bus). All in all, it was a very successful first celebration of Black History Month and everyone is looking forward to future years. The Capstone exhibition was very well received by attendees, staff and students. Ms. Hay and Mr. Sommerfeld attended meetings in Cranbrook pertaining to budget for next year and it was successful, projected for a slight increase in students next year. Planning for music program to begin in September. Discussions regarding food and province's goal to have lunch for every student in the province, open concept bathrooms. Course selections are open.
