Principal's Message

Hello everyone!

With the amazing sun and blue skies this past week, it makes the -29°C from last month seem like a lifetime ago! And even more so when we reflect on the incredible amount of learning, interesting projects and work that has been accomplished – from Black History research to mastering melodica music, as well as rollercoasters construction, Métis tissage, geographical salt dough landscapes and novel studies. It is your combined efforts students, supporting parents and dynamic staff - that make this list of learning so truly inspiring!

Thus, my main March newsletter message is a very deep and sincere expression of gratitude for all you do to make ÉIDES the fabulous place it is to learn and grow together.

Wishing you all a wonderful, safe and healthy Spring Break!

Madame Kuijt

Acting Principal
École Isabella Dicken Elementary School

IMPORTANT NOTES FROM OUR OFFICE

ABSENCES

The SchoolMessenger app is up and running. If you know your child will be absent or late from school please use the app. You may also call the office at 250-423-4651 or email ides.mailing@sd5.bc.ca before 9:00 am. Your help with this will save our secretaries a lot of time as they make a call home for every unreported absence to ensure the child is safe. **If you haven't down loaded the app please read the information provided in this newsletter.** Thank you.

VISITORS

For safety reasons we ask that all visitors knock at our main entrance off 2nd Avenue.

Thank you for helping to keep everyone safe by wearing your masks inside the school yard when picking up and dropping off your children.

COURTESY BUS RIDERS

Due to a bus overloading situation, **we are no longer able to allow courtesy bus riders** to be transported on school buses from ÉIDES. Safety for our students is our utmost concern and an accurate passenger list is essential. Only students registered with the bus department will be allowed to ride our buses. If you have any questions, you can call the bus department at: 250-423-5885 EXT 223.

VERIFICATION OF PERSONAL INFORMATION

Over the previous school years our secretarial staff sent home student verification forms for all students to ensure that our information on file is accurate. They worked diligently to make sure our records were up to date. Moving forward we are asking families to **update any changes** to their contact information (emails, phone numbers, emergency contacts, address etc.) as soon as applicable. Please email any updates to ides.mailing@sd5.bc.ca

ÉIDES IS A "PEANUT & NUT FREE" SCHOOL

PLEASE DO NOT send ANY product to school that contains peanuts or nuts. ÉIDES has several children and staff who have a severe life-threatening food allergy (anaphylaxis) to peanuts and nuts, which can cause a severe reaction to specific foods and can result in death within minutes.

MEDICAL ALERTS

If your child has a medical condition that requires special attention (i.e. life threatening allergy or carries an epi pen) PLEASE ensure that you inform us. We have a Medical Alert policy and planning forms for parents to sign in order to help us provide any necessary care.

TRAFFIC SAFETY

Morning drop off and after school pick up times are very busy and continue to create safety concerns. Please help us keep everybody safe by helping with the following:

- Remind your child to use the crosswalk properly and to look both ways before crossing.
- Please do not stop or block crosswalks with your car.
- We ask that you DO NOT bring your dog onto the playground.
- Bikes and scooters need to be walked through the playground, on sidewalks and crosswalks.
- Remind your child of bicycle safety rules especially for riding on the streets.
- The staff parking lot is for STAFF only; please do not use it as a drop off spot.
- Please do not linger in drop off/pick up zones during peak times.
- Please respect the no stopping and handicap parking zones.
- 13th Street is a bus zone DO NOT use it for drop off or pick up.
- Please **NO U-Turns** in School Zones

The four seasons

Spring will soon be upon us.
Students must come to school dressed for all weather and prepared to be outside.

Students will be kept indoors during the winter months when the temperature is -20° Celsius or colder. The wind chill factor will be taken into consideration. Keeping the students in will be at the discretion of the lunch hour supervisor, Vice-Principal or Principal. When cold weather persists for several days we keep the students mostly indoors but will send them out for 15-20 minutes over the lunch break to get a little fresh air and exercise. We find that students become very restless if they stay in too often. So please come prepared.

“As noted in 2020/2021 École IDES School Handbook”

Lost and Found

Parents, please have your child/children checkout the lost and found by the gym. The wall is overflowing with jackets, toques, mitts, shoes and water bottles. There are also 7 pictures posted on Face Book. Please let us know if you spot something that belongs to your child. Thank you.

Message from the ÉIDES PAC

Congratulations to all of our avid student readers who have received a free book this past month through our Reading Incentive Program. Keep up the great reading! A big thank you to all the parent volunteers who are tallying the minutes at home and keeping this program running. We couldn't do it without you!

Grade 6

Bottle Depot

		
5¢	10¢	20¢

Our Grade 6's are raising funds for their year-end trip and would love your support! If you are returning bottles/cans to the Bottle Depot and are minded to, you can donate your proceeds to the account called "IDES Grade 6". Once Covid restrictions allow, the grade 6's themselves (and parents) will be organizing a bottle drive as well so stay tuned for that!

Student Learning Survey 2020/2021

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective. Early in 2021 the Student Learning Survey will be administered to students in grades four, and their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included. The survey can be completed electronically and can be accessed on the Internet at http://www.bced.gov.bc.ca/sat_survey . Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link with or without an anonymous logon code by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the Results section.

The e-survey site will be open until April 30th.

If you have any questions, please contact the school at 250-423-4651.

SCHOOL DISTRICT 5
S O U T H E A S T K O O T E N A Y

School District 5 Introduces SchoolMessenger

Continuing to foster and enhance ethical communication between the School District and all learners, students, staff, parents and community in a timely and inclusive manner.

School District 5(Southeast Kootenay) is launching SchoolMessenger for communication with parents. SchoolMessenger is a communication platform that allows our schools and district to send out mass communications to parents/guardians using multiple methods simultaneously. The SafeArrival system provides parents with a faster and easier way of reporting absences.

The benefits of SchoolMessenger include:

-  Parents can choose how to be notified (email, phone call, text message)
-  Absences are easier to report at **1-(833) 566-1225**, on the app or website)
-  More timely notification in an emergency
-  Schools can respond faster when a student is unexpectedly absent and may be missing

SchoolMessenger Communicate

SchoolMessenger Communicate is an automated notification system used to send out general announcements.

As a parent/guardian, you can decide how you want to receive announcements (email, phone call, and/or text message).

There is nothing you need to do to receive announcements from the school. You can customize how you receive what kind (General, Emergency, or Attendance) announcements. For example, you may only want to receive general announcements (upcoming events, newsletters, etc.) via email, but you might want attendance info to come as a text message so that you see it right away.

You can set up your Smartphone or Android phone app or website account right away to make sure you are ready when we launch SchoolMessenger Communicate and SafeArrival:

-  Using your mobile device, download and install the [School Messenger app](#) from the [Apple App Store](#) or the [Google Play Store](#). The first time you use the app, select Sign Up to create your account. Select Attendance then Report an Absence.
-  Use the [Safe Arrival website](#). The first time you use the website, select [Sign Up](#) to create your account. Select Attendance then Report an Absence.

Please get in touch with your child's school if your contact information (email or phone number) has recently changed so SchoolMessenger has the most current information on file.

SchoolMessenger SafeArrival

One of our greatest priorities is ensuring that all our students arrive safely to school every day. To enhance our existing absence-checking procedure School District 5 (Southeast Kootenay) is introducing a new, more efficient student absence

reporting system called **SafeArrival**. This new system will reduce the time it takes to verify student attendance, making it easy for you to report your child's absence and easy for staff to respond to unreported student absences.

It is also used to contact parents and guardians when a child is absent (if the absence was not reported in advance). The automated notification system will attempt to contact parents/guardians at multiple contact points until a reason is submitted for the absence. If our system is unable to reach the designated contacts, office staff will follow up.

If you report your child's absence in advance using the SafeArrival [toll-free number](#), [website](#) or [mobile app](#), you will NOT receive these notifications.

With SafeArrival, you are asked to report your child's absence in advance using any of these **3 convenient methods**:

-  Using your mobile device, download and install the [SchoolMessenger app](#) from the [Apple App Store](#) or the [Google Play Store](#). The first time you use the app, select Sign Up to create your account. Select Attendance then Report an Absence.
-  Use the [SafeArrival website](#). The first time you use the website, select [Sign Up](#) to create your account. Select Attendance then Report an Absence.
-  Call the toll-free number **1-(833) 566-1225** to report an absence using the automated phone system.
-  Contact your child's school directly to report an absence.

The SafeArrival options are available 24 hours/day, 7 days a week. Future absences can be reported at any time up to a maximum of 10 consecutive days. It is important to note that when setting up your account, **you must register using the email address and phone number associated with your child's MyEducation BC account.**

SchoolMessenger SMS

Opt In

**if your number is Canada-based.*

You will receive a text message requesting you to opt into your school or School District 5 text message alert service. This number was provided through your contact information in MyEducation BC.

If you would like to continue receiving messages from your school or district you must reply affirmatively with one of the opt-in key words. Simply reply to the original message (or send a text message to 978338 in Canada) with either the words "opt in" or "subscribe".

If you do not receive a text message, you still can participate in SchoolMessenger SMS (Short Message Service), known as "text messages" from your cell phone by texting "Y" or "Yes" to 978338. Standard message and data rates may apply.

-  For help information, text HELP, INFO, AIDE to 978338.
-  To opt out at any time, text STOP, END, CANCEL, QUIT, UNSUBSCRIBE, ARRET to 978338.

Participating carriers: Rogers Wireless, MTS, Bell, Sasktel Mobility, Telus Mobility

Yours truly,

School District 5 (Southeast Kootenay)

Parents/Guardians:

Given the Province-wide restrictions from the PHO, the directive for SD5 is to no longer have volunteers in our building. This will be in place until further notice. During this stage, it is a requirement that doors be locked to restrict access to our facilities.

Please remember when picking up your child(ren), to stay outside the fence. If you come into the school grounds, we are asking parents/guardians to wear a mask.

Please be diligent, be careful, be safe, **follow the safety protocols** now more than ever.

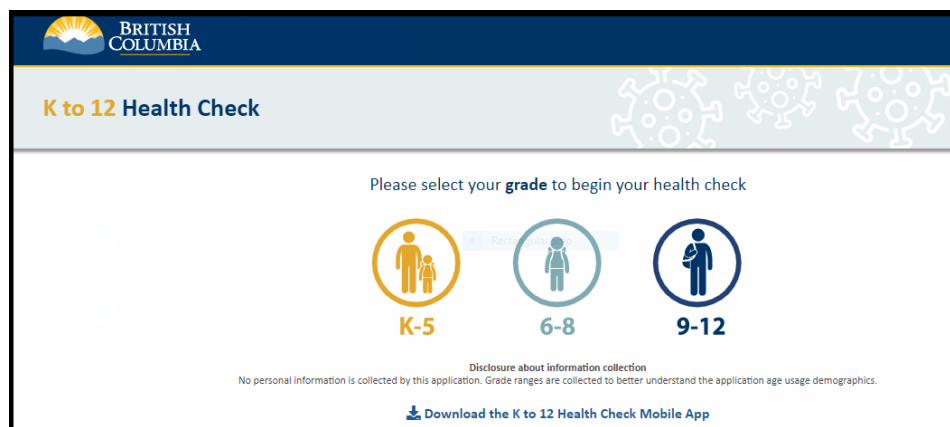

As always, we appreciate your support!
