# PAC Principal Report October 2024

## Enrolment

- 287
  - Additional administration time
  - Additional Education Assistant

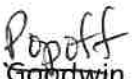

## Professional Learning:

- During our September professional development day our staff spent the day working and learning together. Our focus was on "Reframing Behaviour"
  - Reframe Your Perspective:
    - Understand how neuroscience connects to learning, behaviour, and mental health.
  - Reframe Your Awareness:
    - Practice emotional regulation through simple interactive experiences.
  - Reframe Your Actions:
    - Assume behavior is not solely a matter of choice.
  - Reframe Your Relationships:
    - Learn powerful relationship skills and apply them to common situations and behaviours.
  - <https://www.crisisprevention.com/our-programs/reframing-behavior/>

## Outdoor Learning:

- Staff and students have been participating in a significant number of outdoor learning activities. Classes are traveling to Kimberley Nature Park, Elizabeth Lake, Rotary, Idlewild and other locations to augment their learning. Thank you, PAC, for supporting our field trips!

## Volleyball:

- Thank you, Ms. Molnar, Mr.  Goodwin, for coaching volleyball this season. Games will be underway soon.

## PAC Principal Report October 2024

### **Halloween**

- We are again planning fun for our students. The morning will be a carnival theme in the gym where student can experience different Halloween activities, and the afternoon will be a Halloween dance.

### **Remembrance Day Ceremony:**

- Our Remembrance Day Ceremony will take place November 8th. If your student is asked to do something special, you will be invited to attend. More information will be forthcoming from your teachers.
