

WHO IS FRENCH IMMERSION FOR?

For students and families who don't speak French and want to become bilingual.

WHAT ARE THE GOALS OF THE MIDDLE FI PROGRAM?

- To provide instruction of the BC curriculum entirely in French from Grade 4-12
- To graduate with a bilingual dual Dogwood
- To participate easily in French conversations
- To take post-secondary courses in French
- To accept employment in French
- To gain insight into French history and culture
- To be proud French speakers
- To be courageous language learners who embrace a growth mindset on their journey toward bilingualism

WHAT ARE THE BENEFITS OF LEARNING A SECOND LANGUAGE?

- Gives a competitive edge in the job market
- Can earn more wages due to being bilingual
- Increased literacy skills
- Increased empathy
- Higher cognitive reserve in advance age
- Better ability to concentrate
- Easier to travel
- Easier to learn another language

WHEN WILL MY CHILD ACHIEVE BILINGUALISM?

Becoming fluent in another language is a life-long journey. It takes thousands of hours to become proficient in another language. Our goal for our students is to achieve the threshold or independent level of proficiency by Grade 12 according to the Common European Framework of Reference for languages.

IS FRENCH IMMERSION A GOOD FIT FOR MY CHILD?

WHAT I WISH I KNEW ABOUT FI

It's all in French!

- Your child will need to be okay with not understanding everything right away
- Speaking and understanding French is paramount for all students in order to create an immersive atmosphere
- 80% of courses are taught in French until Grade 6
- Requires support and practice at home - 30 minutes per day

HELP! I DON'T SPEAK FRENCH!

Tranquille...

- Be excited about your child's language learning and ask to learn new words
- Help your child with their sleep hygiene, healthy diet and consistent attendance
- Model a growth mindset where you embrace challenges, persist through obstacles, learn from criticism and are inspired by others in your daily life
