August 30, 2019

Welcome back from Alan Rice, Secretary-Treasurer and Silke Yardley, Superintendent of Schools to all students, parents, staff, and trustees of School District 5 to the 2019/2020 school year!

We are very pleased to be working together in a dual reporting model. The Superintendent of School's role is primarily to support student learning and the Secretary Treasurer's role is to support the operations and finances related to the learning for our students. We are both really looking forward to working closely with the Board of Education, staff and students to ensure that we continue to focus on what is best for our students.

Learning is always at the forefront of what our focus is and we are proud to hear all the good things that are already happening in our schools. We had the opportunity to meet with the principals and vice principals last week where we heard about many great opportunities for students and that schools are ready to go for September 3<sup>rd</sup>. We have also had a chance to meet with the Teacher's Association Leadership and are looking forward to connecting with the CUPE Leadership, District Parent Advisory Council, the District Student Advisory Council and community partners over the next few weeks.

The summer is a time for our maintenance team to complete projects and ensure the schools are ready to welcome students back. We want to thank Joe Tank and his team for all of their hard work.

We had the pleasure of touring the bus yard and seeing all of the shiny busses ready to start the year. A special thank you to our caring bus drivers and maintenance people who transport our most precious cargo.

We also wanted to thank all of the CUPE employees, district employees, principals, vice principals and teachers who are working very hard to ensure that schools are ready to go for the school year to support our students. The first few days with smiley faces, sparkling floors and anticipation of the year ahead are always exciting times.

We look forward to learning and working together to continue the great work focusing on improving outcomes for students. Our door is always open.

Sincerely,

Alan Rice  
Secretary Treasurer

Silke Yardley  
Superintendent

# ENGAGING ALL LEARNERS

Welcome back breakfast at the Cranbrook Board Office on September 3!

## September 20th District Day

Planning is well underway for our District day on Sept. 20! The theme of the day is "Our Classrooms: A Vehicle to Reconciliation." We are very excited to have two keynote speakers joining us as well. Jo Chrona is the Curriculum Director for FNEC as well as having a long, successful career as an educator in our province. Our second keynote speaker is Michelle Sam, a very successful local facilitator. Michele has over 25 years of active research with Indigenous Peoples across Canada, and across disciplines including fields of Health, Governance, Education, Human Development and Social Work.

The model for the day is to use two sites with a conference-style format. Cranbrook and Fernie will each host for a full day. One keynote will start in Cranbrook, while the other will start in Fernie. They will then travel and speak at the other site. In between, we have exciting learning opportunities with local panels of elders, community people, Aboriginal Education Support Workers and students. As well, there will be presentation by Southeast Kootenay teachers. We are super excited for the day!

## NEW TEACHER ORIENTATION

We had our new teacher orientation session on August 27, 2019. We had 37 new teachers attend a very successful day lead by district staff. A special thank you to Maxine Malmberg for touring this group at the District Resource Center on this same day.

Huge appreciation to Joe Tank for ensuring the repainting of the Board Office welcoming sidewalk was completed this summer....it looks Spectacular!! Special thanks and appreciation to our painters, Harry Otte and Mandy Pighin for their work!

The purpose of the K-9 Student Reporting Policy Pilot is to:

- test specific policy language and make recommendations for revisions
- inform future reporting guidelines
- refine the proficiency scale
- recommend, where relevant, future changes to the reporting policy for Grades 10-12

Participating districts will provide feedback on the successes and challenges of implementation, helping to inform the finalization of the new K-9 Student Reporting Policy and supporting guidelines.

**Better Access to Mental Health and Addictions Care:** As part of its [ten-year vision for mental health and addiction care](#), government announced that multi-disciplinary teams will be established in five districts to bring integrated services and supports directly to young people so that families and caregivers do not have to navigate a system on their own. The ministries of Education and Mental Health and Addictions are working together to select the districts that will take part. More information on this project will be provided at a later date.

**Mandatory Reporting of Immunization Status:** As announced this summer by the ministers of Education and Health, the [province is implementing mandatory reporting of immunization status](#) for school-aged children. Over the summer, local public health units reviewed the immunization records of school-aged children and contacted parents/guardians whose children are under-immunized. If parents are not contacted by their health unit, no further action is required.

# COMMUNITY

**A Letter received from Miriam Roberts:**

While I would have preferred to send you a letter, we are currently away from our Vancouver home on a 3-week road trip through the Interior and I wanted to contact you before schools close for the summer. Hence this email.

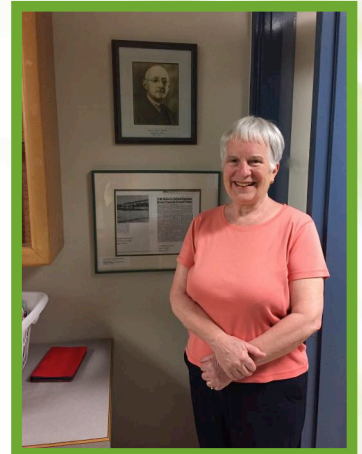

I am the granddaughter of a former mayor of Cranbrook, Thomas Mason Roberts, so you will not be surprised that I stopped by your school on Wattsville Road last Thursday (June 13). It was a pleasure to see the exterior and grounds so well cared for. But the real surprise happened inside when, although I intended only to have a brief look around, the moment I identified myself I was greeted most enthusiastically not just by the principal and then the teachers in the staff room but also a group of students in the hallway!

Education was a high priority for my grandfather and among his three successive generations are several UBC graduates. Although it is really just a coincidence, the career of his great-granddaughter (Dr. Jordan Lancaster) reflects the bilingual aspect of the school. Living in the UK, where he was born, she is an author and translator/interpreter in French, Spanish and Italian.

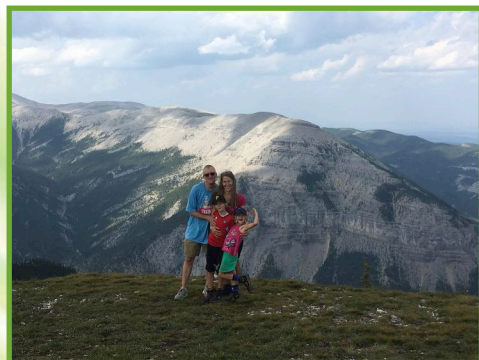

The principal, staff and students of L'Ecole T.M.Roberts Elementary School are a credit to his memory.

With appreciation,

**Miriam Roberts Lancaster**

Michael Meinig, Payroll and Benefits Coordinator, raised \$3500 for School District 5's and 6's School Breakfast Programs earlier in June!

Community Connections Society of SE BC (CCSSEBC) will be offering a family drop in program once a week at Pinewood Elementary School in Cranbrook as part of a newly secured 3 year MCFD contract. The program goal is to provide parents with children aged 0 to school entry an opportunity to play together, meet other parents and children in their neighbourhood and find out about community resources. The program will provide a two hour facilitated drop in play session, with a snack for the children.

Please call Community Connections for more information at 250-426-2976.

# SCHOOLS

Mrs. Gauthier and Mrs. Reinarz' grade 5 class and Mr. Eadie's grade 4 class from T.M. Roberts raised \$1437.40 by selling popsicles after our school-wide run on Fridays. The money raised will go to help provide medical treatment to the people of Haiti.

Mme. Victoria and Mme. Hart's grade 2/3 French Immersion class won a trip to Blue Lake for 2 nights from Columbia Basin Environmental Education Network. The students thoroughly enjoyed their time there and engaged in a variety of place-based lessons. Check out this great video: <https://www.youtube.com/watch?v=QNz3C9BGe5c>

Mme. Catherine's grade 5/6 class from TM Roberts put on a play at the Key City Theatre and raised \$273 for the SPCA. Bravo la classe!
