GENERAL CONSEQUENCES FOR CONDUCT ISSUES

In most situations, the teacher involved will deal with discipline matters. The administration is available to assist the teacher or student in trying to find a solution to the problem.

When a student does not respect the rights and/or safety of others, or does not take responsibility for their own education, one or more of the following consequences shall be implemented:

- ◆ the teacher and the student will try to solve the problem
- ◆ the teacher will seek the assistance of the School Based Team, (Administrator, Indigenous Ed Support Worker, Youth Care Workers, Student Services, Counsellor)
- ◆ the teacher will contact the parents or guardians of the student by telephone or letter to inform them of the situation and to try to find a solution to the problem.
- ◆ the teacher will refer the matter to an administrator who will follow Administrative Procedure 350 "Code of Conduct" located on the SD5 website.

CELL PHONE, DIGITAL SERVICES AND COURTESY PHONE

School District Policy requires that cell phones and any digital devices be used only during non-instructional time.

- ◆ Students may use their phones in the morning before classes begin, during lunch break and after school.
- ◆ During instructional time, cell phones and digital devices are to be left in lockers.
- ◆ Teachers may ask students to use their phones in class for research, photography, or other curricular reasons, but phones are to be replaced in their storage spots when instructed.
- ◆ Students may not use their cell phone or digital device to fill time if work is complete at the end of class.

At no time are cell phones or digital devices to be used in washrooms or changerooms.

A courtesy phone is available at all times for student use.

PARKLAND DRESS CODE

Parkland Middle School believes that maintaining a respectful, business-like atmosphere is important to academic achievement and citizenship. The school's dress code is meant to encourage freedom of expression, while also fostering a supportive, respectful learning community. The standards for our school dress code reflect professionalism, comfort, safety, and a clear sense of appropriateness.

Clothing at Parkland Middle School SHOULD:

- ◆ allow for individual differences, style, and expression
- ◆ be appropriate for the intended activity. Appropriate attire for specialized classes such as gym, outdoor education, or the shops, (dressed for the weather if classes are held outside, closed toed shoes, etc.)
- ◆ respect safety rules/expectations in specific school environments
- ◆ demonstrate respect for the rights and perspectives of others

Clothing at Parkland Middle School SHOULD NOT:

- ◆ promote drugs, alcohol, violence, weapons, or use offensive language or images
- ◆ promote values in conflict with the school community values and code of conduct (gang promotion, racism, sexism, discrimination of any kind)

Parkland Middle School believes in a deep sense of community and working with families to ensure the safety, nurturing, and growth for all students. We encourage families to spend some time discussing the above dress code expectations.

BULLYING

Physical violence and horseplay, intimidation, harassment, discrimination, directly or indirectly, in the school, on school grounds, via the Internet or during any activity associated with the school, will not be tolerated. These items refer to, but are not limited to, behaviours and actions that may be perceived as a threat to the safety and well being of others (www.erasebullying.ca).

RECYCLING

We expect our students and staff to respect and understand our obligation to the environment. We recycle office paper, newspaper, plastic, paper coffee cups, mixed paper, and corrugated cardboard. Look for other ways you can personally reduce, reuse, repair, or recycle both at school and at home.

WEAPONS, EXPLOSIVES, FIREWORKS, LIGHTING DEVICES

No student shall be in possession of a weapon or use an object as a weapon with the intent to injure or harass while under the school's jurisdiction. Students will not use or display any unauthorized lighting devices (including, but not limited to matches, lighters, laser pointers, etc.) while in school.

FRAGRANCE FREE POLICY

Please refrain from wearing scented versions of such items as perfumes, colognes, and body sprays. This is not a preference issue—it is a serious health issue for a significant number of people. Reported adverse effects from heavy fragrances range from migraine headaches and asthma attacks to cardiac and neurological symptoms.

STUDENT FEES

In conjunction with the Ministry of Education fee guidelines for student fees and the School District Policy 3.7, School Fees and Deposits, the school can charge for materials that are beyond the requirements necessary to meet the prescribed learning outcomes of the course.

STUDENT FEE \$20

This fee covers the cost of miscellaneous supplies and rental of the school lock and locker. All students at Parkland Middle School are required to pay this \$20 fee at the beginning of the school year.

YEARBOOK PURCHASE (optional) \$45

This is an optional fee and covers the cost of the student yearbook. Our yearbook has been in existence for many years. It is a great reminder of all of the people and events. Students do a great job at gathering pictures and stories.

FEES FOR ADDITIONAL PROJECTS

There may be opportunities for students to do additional projects and/or take part in additional activities such as extracurricular activities, clubs or field trips. Participation in, and student performance during, additional activities is optional and will not be used to determine course standing. The cost for additional projects or activities will be communicated to parents and parental authorization will be obtained before the student may take part. No student will be denied educational opportunities offered at Parkland due to financial hardship.

ATTENDANCE

Student attendance is reported to the office. All students are expected to be at class on time. On Time means being ready to start learning, with all needed supplies, when the bell rings.

The Parkland secretary contacts the parent/guardian of every student who is reported absent **without a phone call** excusing the student. If a student is absent from school without permission, the student is considered truant. Please phone the school and leave a message on our 24 hour answering machine (250-426-3327), email to pms.absence@sd5.bc.ca or log into Safe Arrival if your child will be late or absent from school.

LATE ARRIVAL TO SCHOOL

Students are expected to be on time for all school activities. Students who are not in class with their required materials prior to these start times are considered late. All students who are late will be required to report to the office. Students who are repeatedly late without an acceptable reason may face further administrative intervention.

ILLNESS

If your child becomes ill at school, they may call home. Parents can then arrange pick-up or inform the office staff that the student has permission to walk home. Students must sign out at the office. Students should not come to school if they are sick.

PARKLAND MIDDLE SCHOOL

Parent Information

PLANNING AN ABSENCE

The school recognizes that, from time to time, it may be necessary for a student to miss school because of family vacations, extended travel, funerals, trips to medical specialists, and other situations. We presume that parents will not allow their children to miss school indiscriminately. Parents and students should note, however, that absence for any reason might affect learning progress. Please inform the office secretary and your teacher if you are going away. Early notice is appreciated. Students are responsible for work covered in class while absent.

SCHOOL BUS RIDERS

School District 5 provides transportation for registered bus students, only. This is to and from their primary residence (s). Guest riders are not permitted.

SCHOOL SUPPLIES

Parkland has a general supply list at the office and our school webpage. Supply list was sent home to families by email. It is a wise idea to have all supplies labeled.

EXTRA CURRICULAR TRIPS

Extra curricular trips are a valuable supplement to the regular school program. On occasion, it may be necessary for students to miss classes because of participation in a school related trip or activity. Student participation is subject to parental permission. The office requires signed parental permission forms prior to departure. Students must complete all assignments given during their absence from class. Part of making an informed choice about participation in extra curricular trips should include thoughtful consideration of the student's academic performance. We remind students and parents that the Parkland Code of Conduct in conjunction with School District 5 Code of Conduct is in effect on all school trips within and outside the regular hours of the school day.

FIELD TRIPS

Field trips enhance certain learning objectives within the school program. When trips occur, the necessary signed parental permission form is needed before trip departure. We remind students and parents that the Parkland Code of Conduct in conjunction with School District 5 Code of Conduct is in effect on all school trips within and outside the regular hours of the school day. Every September, parents will be asked to fill out a general low risk permission form for travel by foot or bus within city limits which will apply for the current school year.

LOST AND FOUND

All "lost and found items" are turned in to the office. All unclaimed items will be donated to a local charity.

HEADPHONES

Headphones and earbuds are not to be worn in class, other than for instructional purpose under teacher supervision or as part of an individual education plan (IEP).

BACKPACKS

Parkland provides lockers for the safe storage of student belongings during the day. Backpacks are to be kept in lockers and not taken from class to class.

LOCKER USE

School District #5 issues a combination lock and locker to each student at Parkland. A parent/guardian must sign a student locker use form. The locker rental fee is part of your yearly student fees. Lockers and locks are the property of the school district. In order to ensure that student lockers are used for appropriate school purposes, administration may inspect student lockers. Students must use the school lock. Lost locks will be replaced for a \$5.00 fee.

DISPLAY OF AFFECTION

We want you to like each other. More than that, we want you to respect yourselves and each other. Public displays of affection are inappropriate at school.

GYMNASIUM CLOTHING

Every student taking a physical education course should have a clean change of clothing that includes: a t-shirt, shorts, leggings or sweat pants, and running shoes. No Crocs or similar, slides or other non-gym footwear. No pants or shorts with metal buttons (ie. Jeans). Parkland Dress Code applies for gym classes. Students are asked not to use aerosol based deodorants.

DANCES

School dances occur periodically throughout the school year, and are popular events that build relationships, social skills, and enhance the middle school experience.

The following expectations are held:

- ◆ dress code applies
- ◆ students must be in attendance the day of the dance
- ◆ no outside beverages permitted
- ◆ all school fees must be paid unless prior arrangements have been made with administration
- ◆ students can expect to have bags inspected
- ◆ students must be in good standing in order to attend dances

Administration reserves the right to withhold dance privileges in cases of chronic absenteeism, lates, or unacceptable behaviour.

PARKLAND RAIDERS

We have a variety of school teams and clubs, including:

Volleyball	Badminton	Chess
Basketball	Track & Field	Archery
Climbing Wall	Badminton	Minecraft
Homework	D&D	

Other teams or clubs may be added based on student interest.

GYMNASIUM

Our gymnasium is open to all students who wish to participate in intramurals during lunch hour. Some days during the year will be considered open gym for any students. Students may also sign out basketballs, soccer balls, footballs, etc. provided there is a teacher to supervise these activities. We encourage participation as part of student daily physical activity.

THE LIBRARY LEARNING COMMONS

Our Library Learning Commons has an excellent selection of books and magazines, and computers are available, too. All students are welcome to use the Internet, as long as the permission form has been signed by a parent/guardian. The Library Learning Commons is open at lunchtime, and the detailed hours will be posted on the door.

LEARNING SERVICES

Support is available during class time for students who require extra assistance on schoolwork or tests. Teachers can refer, or students may ask permission to go to learning services in room 123. The learning services team can provide small group or individual instruction in the core areas.

RESPONSE TO INTERVENTION

The Parkland community is dedicated to learning. When students are not being successful in their learning, staff will refer the matter to our School Based Team who will consider the options for support. Parkland School Based Team normally consists of student services teachers, classroom teacher(s), school counsellor, youth care worker, aboriginal education support worker and administration.

EDUCATIONAL SUPPORT

The Learning Centre is a place where students can go for extra support. Room 123 is staffed and open to all students throughout the day.

Parents are encouraged to contact classroom teachers first with academic concerns.

Further concerns can be emailed to firstname.lastname@sd5.bc.ca

PARKLAND MIDDLE SCHOOL

Parkland Counselling Services

Ph: (250) 426-3327 ext. 21209

Services

School counsellors are teachers who have further former training in counselling. They can provide support for students and their families in several areas which impact learning, such as social, emotional, and mental health.

For students:

- Mental health support.
- Social and emotional support.
- Personal counselling and assistance accessing community services.
- School functioning and readiness support.
- Assistance in coping with course, class, and schedule challenges.
- Assistance in addressing peer issues, bullying, and safety.
- Course planning and academic advice.

For families and students:

- Assistance in identifying and accessing various mental health services.
- Assistance with other support agencies focusing on safety, children, and families.
- General consultation regarding family challenges, school trends and peer social issues.
- Assistance with safety and crisis management (current situations should first be reported directly to our school admin).

Your school counsellor, Dan van der Walt, can be contacted during school hours at the number above. More contact information can be found on the school website.

COUNSELLOR

School counsellors are teachers who have further former training in counselling. They can provide support for students and their families in several areas which impact learning, such as social, emotional, and mental health.

INDIGENOUS EDUCATION

All students who identify themselves being of aboriginal ancestry are eligible for support services through the Indigenous Education Program. Marie Dawson, our Indigenous Education Support Worker, provides a welcoming space and offers a sense of belonging as respected and valued students. This is a safe place where students can gather and feel comfortable, and to make connections with adults in the building.

Just a few of the supports offer include:

- Emotional/Behavioural
- Cultural Relevance/understanding
- Community support referrals/meetings
- Free Access to Food/School Supplies/School requests
- Cooking Program, Indigenous workshops, Ktunaxa Language
- Student Advocacy in the educational setting
- Academic Support Available
- Monitoring progress and attendance
- Referrals to outside agencies

Marie can be contacted by email at marie.dawson@sd5.bc.ca or by telephone at 250-426-3327, ext. 21211.

YOUTH CARE WORKER

Parkland Middle School offers full time Youth Care services. Kelly Fentie and Robin Priore our Youth Care Workers, provide behavioural, emotional, and social support to students.

The Youth Care Workers help facilitate various programs and services for students including:

- Referrals to community supports and services
- Life skills groups
- Facilitation of our school's monthly Salad Bar Program
- Access to basic need items (clothing, hygiene supplies, school supplies etc.)
- Facilitation of our Breakfast Club and Lunch Program
- Communication between students, parents and teachers
- Support with academics and organization skills

Students needing a place to eat lunch can join Robin and Kelly in the Youth Care Room. Parents are welcome to stop by the Youth Care Office at any time to discuss their child's needs.

TEACHER ASSISTANCE OUT OF REGULAR CLASS TIME

All teachers are willing to help students outside of regular class time. Students must request such help and set up a time.

COMMUNICATING STUDENT LEARNING

Students and parents will be provided with strength based descriptive feedback on learning throughout the school year. This will include the use of a student proficiency scale. We report 5 times per school year;
 2 informal (Fall and Spring),
 2 written and published in MyEducation BC (Winter and Spring);
 1 summative (June)

EVALUATION & CURRICULUM

Evaluation of student progress is based on performance standards. Standards are realistic expectations of what students need to know and be able to do as a result of their education. In British Columbia, prescribed "learning outcomes" outline what schools are required to teach and what students are expected to learn.

Based on the learning outcomes and expected levels of performance, teachers set specific criteria to evaluate student learning. These criteria form the basis for evaluating and reporting on student progress.

Proficiency Scale				
	Emerging	Developing	Proficient	Extending
	The student demonstrates an initial understanding of the concepts and competencies relevant to the expected learning.	The student demonstrates a partial understanding of the concepts and competencies relevant to the expected learning.	The student demonstrates a complete understanding of the concepts and competencies relevant to the expected learning.	The student demonstrates a sophisticated understanding of the concepts and competencies relevant to the expected learning.

LEARNING STANDARDS

Personalized Learning

The redesign of BC's curriculum provides flexibility to inspire the personalization of learning and addresses the diverse needs and interests of BC students.

Indigenous Perspectives and Knowledge

Indigenous culture and perspectives have been integrated throughout all areas of learning. For example, place based learning and emphasis on indigenous ways of knowing reflect the First Peoples Principles of Learning in the curriculum.

Ecology and the Environment

Revisions to the science curriculum were made to ensure better representation of ecology and environmental learning.

Historical Wrongs

The curriculum includes the history of the Asian and South Asian communities and their contributions to the development of our province—as well as the injustices they experienced.

Flexible Learning Environments

BC's redesigned curriculum provides teachers with great flexibility in creating learning environments that are relevant, engaging, and novel. Flexible learning environments give consideration to local contexts and place-based learning.

PARKLAND MIDDLE SCHOOL

Communicating Student Learning

BC'S CURRICULUM

The curriculum being used in BC is one that is focused on developing core competencies that students will need to be successful. These are the intellectual, personal, social and emotional skills needed in order to engage in deep learning and life-long learning. Core competencies are global throughout each subject area.

As well, the new curriculum also focuses on curricular competencies that are specialized in each subject area. Teachers have been given more freedom to choose content that meets the needs and passions of students to teach the curricular competencies.

More information can be found at <https://curriculum.gov.bc.ca>

CURRICULUM ORIENTATION GUIDE

What to look for in the curriculum

The guide illustrates the structure of the Social Studies curriculum, highlighting key components:

- Introductory Materials:** Located at the top of the curriculum page.
- Core Competencies:** Represented by the 'C', 'T', and 'PS' icons.
- Big Ideas:** Three circular icons representing the core themes of the curriculum.
- Content:** The main body of the curriculum, detailing learning standards and content.
- Curricular Competencies:** Specific competencies related to the subject area.
- Supporting Materials:** Additional resources and materials provided for teachers and students.
