

School District No. 5 (Southeast Kootenay)
POSITION: TEACHER LIBRARIAN

SCOPE AND PURPOSE:

Teacher Librarians are experts in information technologies, curators of library resources, teachers of information literacy skills, and promoters of life-long learning in students. They are also experts in integrating information technology into curriculum areas as mandated by the province, district and school. The role of the teacher-librarian is one that is constantly evolving as information and communications technologies continue to innovate.

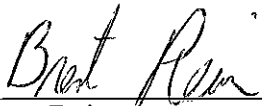

DUTIES AND RESPONSIBILITIES:

Specific to the Teacher Librarian position, the teacher is expected to:

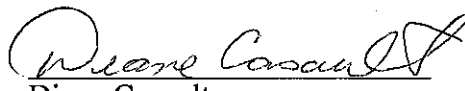

- plan units of study collaboratively with other teachers
- teach information literacy to students
- develop curricula that integrates information literacy and technology
- work with teachers to improve literacy learning
- select quality resources and manage collections that support the curriculum, lifelong learning, and independent reading
- involve students and staff with developing the skills needed to locate, analyze, evaluate and apply information from a variety of sources of media, databases, and technology
- provide curriculum instruction, resource development, and coordinate programs to promote student learning and literacy
