## **BAND RAFFLE WEEK**

Band students have been working hard this year earning band tickets. Here are a few ways they earn tickets: demonstrating an understanding of various notes and rhythms, ability to understand cues such as resting to ready, demonstrating good work ethic in band and being focused and on task, passing songs and taking on lead roles in the Remembrance Day assembly or the upcoming Christmas musical.

The kids had their first band raffle this past week and scored a lot of great prizes and our winner of the most tickets was Cooper Bowers!

Great work to all of the band students! Now to start earning tickets again for the next raffle.

# CREATED BY KIDS! ART FUNDRAISER

Hello Highlands families,

Please keep your eyes open for these forms coming home. They will be making their way to you. All the instructions are on the sheets.

This is an art fundraiser that is new and exciting for our school! You will follow the instructions and be able to place an order of your kid's art they made in class. They have all kinds of things to choose from. Some examples are cards, magnets, ornaments and mugs. You will be receiving the items BEFORE winter break! The filled-out forms need to be back for Nov 21!! **Please remember to include the order reference number at the bottom of the form.**

Any questions, please feel free to reach out to me.
