### YES! THERE IS SCHOOL ON MONDAY, APRIL 17!

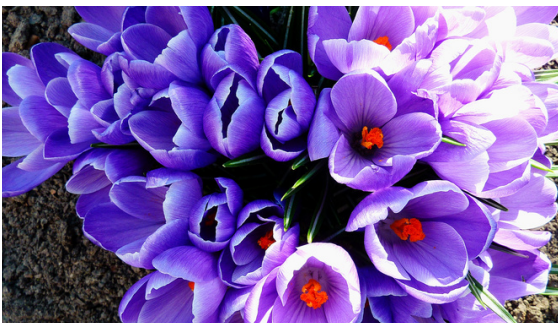

There was a revision made to the district school calendar in December, 2022. This adjusted the school dates in April. There will be school this coming Monday, April 17th. The updated calendar is attached to the weekly email. Sorry for any confusion.

### FAMILY SUPPORT

This year, funds have been allocated to Highlands Elementary to assist families with their basic needs. There is no requirement to access these funds except to reach out to our YCW with your request.

What you share will remain confidential and will be addressed as quickly as possible. Some examples of things this fund has helped cover for families are gift cards, school-related fees (school supplies, field trips, art supplies), fees associated with arts, athletics, or sporting activities (ski days, tournaments, travel costs), food hampers, clothing, and so much more!

Please contact Ms. Dana (YCW) at [dana.mclean@sd5.bc.ca](mailto:dana.mclean@sd5.bc.ca) if you would like to access this funding or would like more information.
