We encourage you to drop students off by a sidewalk where they can access the crosswalk or at the pathway on 34th Ave S.

### TRIPLE BALL

Triple Ball (modified version of Volleyball) will be starting up very soon for grade 6 students. Forms have gone home to students that are interested. As signed forms come back to indicate how many students will be playing, coaches and practices can be finalized and shared. The games schedule will come out next week to those participating and the practices schedule will be shared as soon as it is ready.

Depending on interest, it may open up to grade 5's to join in too. Please contact Kristan Thompson if you have any questions at the school or reach her at:
