

“Aansaambaenkiskayhtaamuk Learning Together”

“Aansaambaenkiskayhtaamuk - Learning Together” (Heritage Michif, translated by Norman Fleury) is a learning guide with accompanying resources developed by the MNBC Ministry of Education. These resources are intended to support both Métis and non-Métis early learning and child care professionals to integrate Métis content and pedagogy into their work with young children.

Our intent is to promote learning environments in which Métis culture is recognized and celebrated.

In addition to the resources, an accompanying workshop will be available Fall 2023. This workshop will further support early learning and child care professionals to incorporate these Métis specific teachings into programming.

To learn more about the workshop and inquire about booking availability, please contact your regional child care coordinator or email mccb@mnbc.ca
