MANAGEMENT REPORT

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Canadian generally accepted accounting principles and the integrity and objectivity of these statements are management's responsibility.

Management is also responsible for all other schedules of financial information and for ensuring this information is consistent, where appropriate, with the information contained in the financial statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Education is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control and for approving the financial information included in the Statement of Financial Information.

The external auditors, BDO Dunwoody Chartered Accountants, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements as required by the *School Act*. Their examination does not relate to the other schedules of financial information required by the *Financial Information Act*. Their examination includes a review and evaluation of the board's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

On behalf of School District No. 5 (Southeast Kootenay)

Bill Gook, Superintendent

DECLARATION AND SIGNATURES

SCHOOL DISTRICT MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements and supporting schedules of The Board of Education of School District No. 05 (Southeast Kootenay) ("the Board") have been prepared by school district management which has responsibility for their preparation, integrity and objectivity. The financial statements and schedules, including notes, have been prepared in accordance with Canadian generally accepted accounting principles for not-for-profit organizations.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school district's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that the accounting records may be relied upon to properly reflect the school district's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong budgetary system of control.

The Board's Responsibility

The ultimate responsibility for the financial statements lies with the Board. The Board has reviewed and approved the financial statements.

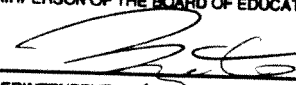

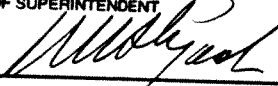

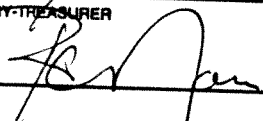

External Auditors

The Board appoints external auditors to audit the financial statements. The external auditors have full and free access to school district records, and present their report to the Board.

Declaration of Management and Board Chairperson

To the best of our knowledge and belief, these financial statements and supporting schedules reflect, in all material respects, the financial position, revenue and expense, changes in fund balances, and cash flows for the year in accordance with Canadian generally accepted accounting principles for not-for-profit organizations.

We, the undersigned, certify that the attached is a correct and true copy of the Audited Financial Statements of School District No. 05 (Southeast Kootenay) for the year ended June 30, 2011.

Independent Auditor's Report

To the Board of Education of School District No. 5 (Southeast Kootenay)

We have audited the accompanying financial statements of the School District No. 5 Southeast Kootenay, which comprise the statement of financial position as at June 30, 2011, and the statements of revenue and expense, changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements of the School District No. 5 Southeast Kootenay for the year ended June 30, 2011 are prepared, in all material respects, in accordance with Canadian generally accepted accounting principles.

Independent Auditor's Comments on Supplementary Financial Information

To the Board of Education of
School District No. 5 (Southeast Kootenay)

We have audited the financial statements of School District No.5 (Southeast Kootenay), which comprise the statement of financial position as at June 30, 2011 and the statements of revenue and expense, change in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information, and have issued our report thereon dated September 13, 2011 which contained an unmodified opinion on those financial statements. The audit was performed to form an opinion on the financial statements as a whole. The supplementary schedules presented hereinafter are for the purposes of additional analysis and are not a required part of the financial statements. Such supplementary information is the responsibility of management and was derived from the underlying accounting and other records used to prepare the financial statements.

The supplementary information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such supplementary information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2011

NOTE 1 AUTHORITY AND PURPOSE

The School District operates under authority of the *School Act* of British Columbia as a corporation under the name of "The Board of Education of School District No. 5 (Southeast Kootenay)", and operates as "School District No. 5 (Southeast Kootenay)." A board of education (Board) elected for a three-year term governs the School District. The School District provides educational programs to students enrolled in schools in the district, and is principally funded by the Province of British Columbia through the Ministry of Education.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND REPORTING PRACTICES

These financial statements were prepared in accordance with Canadian Generally Accepted Accounting Principles (GAAP) for not-for-profit organizations. These principles are consistent with those used in prior years.

The deferral method of accounting for contributions, which includes government grants, is used. Results are reported in the operating fund, special purpose funds and capital fund. Revenues and expenses are recorded on a gross and accrual basis.

Statement 2 (Statement of Revenue and Expense), Statement 3 (Statement of Changes in Fund Balances) and Statement 4 (Statement of Cash Flows) present annual results of each fund, changes in fund balances and cash flows for the year. Statement 1 (Statement of Financial Position) presents the assets, liabilities and fund balances as at June 30th. Interfund transfers and loans are recognized in each fund and eliminated in the consolidated totals.

a) Fund Accounting

The resources and operations of the School District are segregated into various funds for accounting and financial reporting purposes based on the types of restrictions on the use of contributions by governments or other granting agencies, and appropriations or other internal restrictions by the Board. While separate accounts are maintained for each fund, for financial reporting purposes, funds with similar characteristics are grouped together:

- Operating fund reports assets, liabilities, revenues and expenses for general operations.
- Special purpose funds report assets, liabilities, revenues and expenses for:
 - Contributions restricted in use by the *School Act* or Ministry of Education.
 - Contributions restricted in use by other external bodies.
 - Endowment funds.
 - Funds collected and used at the school level (i.e. school-generated funds).
 - Controlled and/or related entities.
- Capital fund reports assets, liabilities, revenues and expenses for capital. Contributions of other funds used for capital purposes are transferred to the capital fund.

b) Cash and Cash Equivalents

Cash and cash equivalents include cash and highly liquid securities with original terms to maturity of three months or less when purchased.

c) Accounts Receivable

Accounts receivable are shown net of allowance for doubtful accounts. (See Note 4)

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2011

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND REPORTING PRACTICES (Continued)

d) Prepaid Expenses

Materials and supplies held for use within the district are included as a prepaid expense and stated at acquisition cost. Other prepaid expenses include insurance, dues and fees, and licenses.

e) Capital Assets

The following criteria apply:

- Capital assets acquired or constructed are recorded at cost. Donated capital assets are recorded at their fair market value on the date of donation.
- Work-in-progress is recorded as an acquisition to the applicable asset class at substantial completion.
- Sites and buildings that no longer contribute to the ability of the district to provide services are written-down to residual value.
- Buildings that are demolished or destroyed are written-off.
- Amortization is recorded on a straight-line basis over the estimated useful life of the asset. Estimated useful life is as follows:

Buildings	40 years
Furniture & Equipment	10 years
Vehicles	10 years
Computer Hardware	5 years

f) Revenue Recognition

Unrestricted operating government grants, are recognized as revenue when received. Such grants, if contributed for a future period, are deferred and reported as deferred contributions until that future period. Other unrestricted revenue, including tuition fees and sales of services/products are reported as revenue when services are provided or products delivered.

Externally restricted contributions, grants, and donations are reported as revenue depending on the nature of restrictions imposed on the use of the funds by the contributors:

- Non-capital contributions for specific purposes are recorded as deferred contributions and recognized as revenue in the year related expenses are incurred.
- Contributions restricted for capital purposes are recorded as deferred contributions until the amount is invested in capital assets.
 - If the capital asset is a site, the amount invested is recorded as a direct increase to net assets invested in capital assets.
 - If the capital asset is not a site, the amount invested is recorded as a deferred capital contribution and amortized over the useful life of the asset.
 - Donated capital assets are recorded at fair market value and treated as a deferred capital contribution.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2011

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND REPORTING PRACTICES (Continued)

g) Expenditures

- Categories of Salaries
 - Principals, Vice Principals, and Directors of Instruction employed under an administrative officer contract are categorized as Principals and Vice Principals.
 - Superintendents, Assistant Superintendents, Secretary-Treasurers, Directors of Instruction, Trustees and other employees excluded from union contracts are categorized as Other Professionals.
- Allocation of Costs
 - Operating expenses are reported by function, program, and object. Whenever possible, expenditures are determined by actual identification. Additional costs pertaining to specific instructional programs, such as special and aboriginal education, are allocated to these programs. All other costs are allocated to regular programs.
 - Actual salaries of personnel assigned to two or more functions or programs are allocated based on the time spent in each function and program. School-based clerical salaries are allocated to school administration and partially to other programs to which they may be assigned. Principals and Vice-Principals salaries are allocated to school administration and may be partially allocated to other programs to recognize their other responsibilities.
 - Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
 - Supplies and services are allocated based on actual identification of program.

h) Financial Instruments

Financial instruments are defined as a contractual right to either receive or deliver cash or another financial instrument to another party.

The School District utilizes various financial instruments. Unless otherwise noted, it is management's opinion that the School District is not exposed to significant interest, currency or credit risks arising from these financial instruments and the carrying amounts approximate fair values.

The School District classifies its financial instruments into one of the following categories based on the purpose for which the asset was acquired. The School District's accounting policy for each category is as follows:

Held-for-trading

Any financial instrument whose fair value can be reliably measured may be designated as held-for-trading on initial recognition or adoption of this new standard. The School District has designated cash and cash equivalents and short term investments as held-for trading. These financial instruments are carried on the balance sheet at fair value and net gains and losses arising from changes in fair value, determined by published price quotations in an active market, are recognized immediately in income. Transaction costs related to these instruments are recognized as expense on the settlement date.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2011

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND
REPORTING PRACTICES (Continued)**

Loans and receivables

These assets result from the delivery of cash or other assets by a lender to a borrower in return for a promise to repay on a specified date or dates, or on demand. They arise principally through the provision of goods and services to customers but also incorporate other types of contractual monetary assets. The School District has designated accounts receivable as loans and receivables. These instruments are initially recognized at fair value and subsequently carried at amortized cost, using the effective interest rate method, less any provision for impairment.

Other financial liabilities

Other financial liabilities include all financial liabilities other than those classified as held-for-trading and is comprised of accounts payable and accrued liabilities and other current liabilities. These liabilities are initially recognized at fair value and subsequently carried at amortized cost using the effective interest rate method.

i) Use of Estimates

Preparation of financial statements in accordance with Canadian Generally Accepted Accounting Principles requires management to make estimates and assumptions that impact reported amounts for assets and liabilities at the date of the financial statements and revenues and expenses during the reporting periods. Significant areas requiring the use of management estimates relate to the potential impairment of assets, rates for amortization and estimated employee future benefits. Actual results could differ from those estimates.

j) Employee Future Benefits

The School District provides certain post-employment benefits including vacation pay and retirement allowances for certain employees pursuant to certain contracts and union agreements.

The School District accrues its obligations and related costs under employee future benefit plans. The future benefits cost is actuarially determined using the projected unit credit method pro-rata on service and using management's best estimate of expected salary escalation, termination and retirement rates and mortality. The discount rate used to measure obligations is based on market rates at the measurement date.

The excess of cumulative unrecognized actuarial gains (losses) over 10 percent of the accrued benefit obligation is amortized over the expected average remaining service lifetime (EARSL) of active employees covered under the plan. The EARSL for employees of the School District is 8.0 years.

The most recent valuation of the obligation was performed at March 31, 2010 and projected to June 30, 2014. The next valuation will be performed at March 31, 2013 for use at June 30, 2013. For the purposes of determining the financial position of the plans and the employee future benefit costs, a measurement date of March 31 was adopted for all periods subsequent to July 1, 2004.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2011

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND REPORTING PRACTICES (Continued)

k) Capital Disclosures

The School District's primary objective when managing capital is to safeguard its ability to provide services to students. The School District considers its capital to be net assets invested in capital assets and other net assets. The School District is not subject to any externally imposed capital requirements.

The School District's object when managing capital is to maintain a stable financial structure by matching its capital to the underlying nature and terms of the asset being funded and to hold sufficient unrestricted net assets to enable it to withstand negative unexpected financial events. The School District seeks to maintain sufficient liquidity to enable it to meet its obligations as they become due and follows a prudent investment policy designed to ensure a low risk return on investment consistent with the long-term goals and future obligations of the School District.

NOTE 3 SHORT TERM INVESTMENTS

Operating fund short term investments consist of Guaranteed Investment Certificates that bear interest at 1.35% and mature within the next fiscal period.

NOTE 6 EMPLOYEE FUTURE BENEFITS

The accrued benefit obligation for employee future benefits is not funded as funding is provided when the benefits are paid. Accordingly, there are no plan assets. Although no plan assets are uniquely identified, the School District has provided for the payment of these benefits. The portion of these benefits that have not been provided for is identified as Unfunded Accrued Employee Future Benefits and Vacation Pay on Statement 1 (Statement of Financial Position).

The period of amortization is equal to the expected average remaining service lifetime (EARSL) of active employees.

EARSL – March 31	8.0	8.0

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2011

NOTE 7 EMPLOYEE PENSION PLANS

The School District and its employees contribute to the Teachers' Pension Plan and Municipal Pension Plan, jointly trustee pension plans. The boards of trustees for these plans represent plan members and employers and are responsible for the management of the pension plan including investment of the assets and administration of benefits. The pension plans are multi-employer contributory pension plans. Basic pension benefits provided are defined. The Teachers' Pension Plan has about 47,000 active members from school districts, and approximately 29,000 retired members from school districts. The Municipal Plan has about 163,000 active members, of which approximately 23,000 are from school districts.

Every three years, an actuarial valuation is performed to assess the financial position of the plans and the adequacy of plan funding. The most recent valuation of the Teachers' Plan as at December 31, 2008 indicated a \$291 million unfunded liability for basic pension benefits. The next valuation will be as at December 31, 2011 with results available in late 2012. The most recent valuation for the Municipal Pension Plan as at December 31, 2009 indicated an unfunded liability of \$1,024 million for basic pension benefits. The next valuation will be as at December 31, 2012 with results available in 2013. The actuary does not attribute portions of the unfunded liability to individual employers. School District No. 5 (Southeast Kootenay) paid \$4,382,773 for employer contributions to these plans in the year ended June 30, 2011.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2011

NOTE 9 INTERFUND TRANSFERS

Interfund transfers between the operating, special purpose and capital funds are reported on Statement 3 (Statement of Changes in Fund Balances). For the year ended June 30, 2011, transfers were as follows:

- \$100,000 from Operating Fund to Capital Fund

NOTE 10 RELATED PARTY TRANSACTIONS

The School District is related through common ownership to all Province of British Columbia ministries, agencies, school districts, health authorities, colleges, universities, and crown corporations. Transactions with these entities, unless disclosed separately, are generally considered to be in the normal course of operations and are recorded at the exchange amount.

NOTE 11 CONTRACTUAL OBLIGATIONS

Lease Commitments:

The School District has equipment under operating leases. Lease commitments over the next four years are due as follows:

Year	Amount
2011	\$124,252
2012	\$124,252
2013	\$ 20,709

NOTE 12 ECONOMIC DEPENDENCE

Operations of the School District are dependent on continued funding from the Ministry of Education and various governmental agencies to carry out its programs. These financial statements have been prepared in accordance with Canadian generally accepted accounting principles for government controlled for not-for-profit organizations. This contemplates continuation of the School District as a "going concern".

NOTE 13 CONTINGENCIES

(a) In the ordinary course of operations, the School District has legal proceedings brought against it which remain outstanding at the year end. It is the opinion of management that final determination of these claims will not have material effect on the financial position or operations of the School District.

(b) The School District has been served with a writ of summons in a class action lawsuit involving 25 other school districts throughout the province, seeking recovery of tuition fees paid for summer school courses in prior fiscal periods. As at the year end, neither the outcome of this action nor any potential financial consequences are determinable, if any.
