

**School District
Statement of Financial Information (SOFI)
School District No. 5 (Southeast Kootenay)
Fiscal Year Ended June 30, 2023**

TABLE OF CONTENTS

Documents are arranged in the following order:

1. Approval of Statement of Financial Information
2. Financial Information Act Submission Checklist
3. Management Report
4. Audited Financial Statements
5. Schedule of Debt
6. Schedule of Guarantee and Indemnity Agreements
7. Schedule of Remuneration and Expenses including:
 - Statement of Severance Agreements
 - Reconciliation or explanation of differences to Audited Financial Statements
8. Schedule of Payments for the Provision of Goods and Services including:
 - Reconciliation or explanation of differences to Audited Financial Statements

MANAGEMENT REPORT

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Canadian generally accepted accounting principles and the integrity and objectivity of these statements are management's responsibility.

Management is also responsible for all other schedules of financial information and for ensuring this information is consistent, where appropriate, with the information contained in the financial statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Education is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control and for approving the financial information included in the Statement of Financial Information.

The external auditors, BDO Canada LLP, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements as required by the *School Act*. Their examination does not relate to the other schedules of financial information required by the *Financial Information Act*. Their examination includes a review and evaluation of the board's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

MANAGEMENT REPORT

Version: 1080-9334-7351

Management's Responsibility for the Financial Statements.

The accompanying financial statements of School District No. 5 (Southeast Kootenay) have been prepared by management in accordance with the accounting requirements of Section 23.1 of the Budget Transparency and Accountability Act of British Columbia, supplemented by Regulations 257/2010 and 198/2011 issued by the Province of British Columbia Treasury Board, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the financial statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

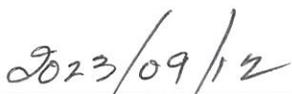

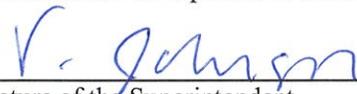

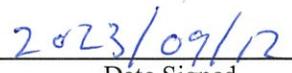

The preparation of financial statements necessarily involves the use of estimates based on management's judgment particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and reliable financial information is produced.

The Board of Education of School District No. 5 (Southeast Kootenay) (called the "Board") is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises these responsibilities through the Board. The Board reviews internal financial statements on a monthly basis and externally audited financial statements yearly.

The external auditors, BDO Canada LLP, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of School District No. 5 (Southeast Kootenay) and meet when required. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the School District's financial statements.

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 1 AUTHORITY AND PURPOSE

The School District operates under authority of the *School Act* of British Columbia as a corporation under the name of "The Board of Education of School District No. 5 (Southeast Kootenay)" and operates as "School District No. 5 (Southeast Kootenay)." A board of education (Board) elected for a four-year term governs the School District. The School District provides educational programs to students enrolled in schools in the district and is principally funded by the Province of British Columbia through the Ministry of Education and Child Care.

The impact of Covid-19 continues to exist and has had a significant financial, market and social dislocating impact worldwide. The ongoing impact of the pandemic presents uncertainty over future cash flows, may have a significant impact on future operations including decreases in revenues, impairment of receivables, reduction in investment income and delays in completing capital project work. As the situation is dynamic and ultimate duration and magnitude of the impact are not known, an estimate of the future financial effect on the School District is not practicable at this time.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Accounting

These financial statements have been prepared in accordance with Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia. This Section requires that the financial statements be prepared in accordance with Canadian public sector accounting standards except in regard to the accounting for government transfers as set out in Notes 2(d) and 2(i).

In September 2010, the Province of British Columbia Treasury Board ("Treasury Board") provided directive through Government Organization Accounting Standards Regulation 257/2010 requiring all tax-payer supported organizations in the Schools, Universities, Colleges and Hospitals sector to adopt PSA standards of the Canadian Institute of Chartered Accountants ("CICA") without not-for-profit provisions from their first fiscal year commencing after January 1, 2012. In March 2011, PSAB released a new *Section PS 3410 "Government Transfers"*. In November 2011, Treasury Board provided a directive through Restricted Contributions Regulation 198/2011 providing direction for the reporting of restricted contributions whether they are received or receivable by the School District before or after this regulation was in effect. The Treasury Board direction on the accounting treatment of restricted contributions is as described in Notes 2(d) and 2(i).

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

As noted in notes 2 (d) and 2 (i), Section 23.1 of the Budget Transparency and Accountability Act and its related regulations require the School District to recognize government transfers for the acquisition of capital assets into revenue on the same basis as the related amortization expense. As these transfers do not contain stipulations that create a liability, Canadian public sector accounting standards would require these grants to be fully recognized into revenue. The impact of this difference on the financial statements of the School District is as follows:

Year-ended June 30, 2022	- understatement of revenue and annual surplus of \$3,063,563
June 30, 2022	- understatement of accumulated surplus and an overstatement of deferred capital revenue by \$62,252,193
Year-ended June 30, 2023	- understatement of revenue and annual surplus of \$4,937,893
June 30, 2023	- understatement of accumulated surplus and an overstatement of deferred capital revenue by \$67,190,086

b) Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. These cash equivalents generally have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

c) Accounts Receivable

Accounts receivable are measured at amortized cost and shown net of allowance for doubtful accounts.

d) Deferred Revenue and Deferred Capital Revenue

Deferred revenue includes contributions received with stipulations that meet the description of restricted contributions in the Restricted Contributions Regulation 198/2011 issued by Treasury Board. When restrictions are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability as detailed in Note 2 (i).

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Funding received for the acquisition of depreciable tangible capital assets is recorded as deferred capital revenue and amortized over the life of the asset acquired as revenue in the statement of operations. This accounting treatment is not consistent with the requirements of Canadian public sector accounting standards which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met unless the transfer contains a stipulation that creates a liability in which case the transfer is recognized as revenue over the period that the liability is extinguished. See Note 2 (a) for the impact of this policy on these financial statements.

e) Employee Future Benefits

The School District provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements.

The School District accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans. Benefits include vested sick leave, accumulating non-vested sick leave, early retirement, retirement/severance, vacation, overtime and death benefits. The benefits cost is actuarially determined using the projected unit credit method pro-rated on service and using management's best estimate of expected salary escalation, termination rates, retirement rates and mortality. The discount rate used to measure obligations is based on the cost of borrowing.

The cumulative unrecognized actuarial gains and losses are amortized over the expected average remaining service lifetime (EARSL) of active employees covered under the plan.

The most recent valuation of the obligation was performed at March 31, 2022 and projected to March 31, 2025. The next valuation will be performed at March 31, 2025 for use at June 30, 2025. For the purposes of determining the financial position of the plans and the employee future benefit costs, a measurement date of March 31 was adopted for all periods subsequent to July 1, 2004.

The School District and its employees make contributions to the Teachers' Pension Plan and Municipal Pension Plan. The plans are multi-employer plans where assets and obligations are not separated. The costs are expensed as incurred.

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

f) Asset Retirement Obligations

A liability is recognized when, as at the financial reporting date:

- (a) there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- (b) the past transaction or event giving rise to the liability has occurred;
- (c) it is expected that future economic benefits will be given up; and
- (d) a reasonable estimate of the amount can be made.

The liability for the removal of asbestos and other hazardous material in several of the buildings owned by the School District has been initially recognized using the modified retroactive method (Note 19). The liability has been measured at current cost as the timing and amounts of future cash flows cannot be estimated. The resulting costs have been capitalized into the carrying amount of tangible capital assets and are being amortized on the same basis as the related tangible capital asset (Note 2(l)). Assumptions used in the calculations are reviewed annually.

g) Capital Leases

Leases that, from the point of view of the lessee, transfer substantially all the benefits and risks incident to ownership of the property to the School District are considered capital leases. These are accounted for as an asset and an obligation. Capital lease obligations are recorded at the present value of the minimum lease payments excluding executory costs, e.g., insurance or maintenance costs. The discount rate used to determine the present value of the lease payments is the lower of the School District's rate for incremental borrowing or the interest rate implicit in the lease. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

h) Tangible Capital Assets

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.
- Work-in-progress is recorded as an acquisition to the applicable asset class at substantial completion.

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

- Tangible capital assets are written down to residual value when conditions indicate they no longer contribute to the ability of the School District to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. The write-downs are accounted for as expenses in the Statement of Operations.
- Buildings that are demolished or destroyed are written-off.
- The cost, less residual value, of tangible capital assets (excluding sites), is amortized on a straight-line basis over the estimated useful life of the asset. It is management's responsibility to determine the appropriate useful lives for tangible capital assets. These useful lives are reviewed on a regular basis or if significant events initiate the need to revise. Estimated useful life is as follows:

Buildings	40 years
Furniture & Equipment	10 years
Vehicles	10 years
Computer Hardware	5 years

i) Prepaid Expenses

Prepaid membership dues, insurance, travel expenses and software licensing fees are included as a prepaid expense and stated at acquisition cost and are charged to expense over the periods expected to benefit from it.

j) Funds and Reserves

Certain amounts, as approved by the Board are set aside in accumulated surplus for future operating and capital purposes. Transfers to and from funds and reserves are an adjustment to the respective fund within accumulated surplus when approved (see Note 17 – Internally Restricted Surplus – Operating Fund).

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

k) Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Contributions received or where eligibility criteria have been met are recognized as revenue except where the contribution meets the criteria for deferral as described below. Eligibility criteria are the criteria that the School District has to meet in order to receive the contributions including authorization by the transferring government.

For contributions subject to a legislative or contractual stipulation or restriction as to their use, revenue is recognized as follows:

- Non-capital contributions restricted for specific purposes are recorded as deferred revenue and recognized as revenue in the year related expenses are incurred,
- Contributions restricted for site acquisitions are recorded as revenue when the sites are purchased, and
- Contributions restricted for tangible capital assets acquisitions other than sites are recorded as deferred capital revenue and amortized over the useful life of the related assets.

Donated tangible capital assets other than sites are recorded at fair market value and amortized over the useful life of the assets. Donated sites are recorded as revenue at fair market value when received or receivable.

The accounting treatment for restricted contributions is not consistent with the requirements of Canadian public sector accounting standards which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met unless the transfer contains a stipulation that meets the criteria for liability recognition in which case the transfer is recognized as revenue over the period that the liability is extinguished. See Note 2 (a) for the impact of this policy on these financial statements.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

Investment income is reported in the period earned. When required by the funding party or related Act, investment income earned on deferred revenue is added to the deferred revenue balance.

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

k) Expenditures

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

- Operating expenses are reported by function, program, and object. Whenever possible, expenditures are determined by actual identification. Additional costs pertaining to specific instructional programs, such as special and indigenous education, are allocated to these programs. All other costs are allocated to related programs.
- Actual salaries of personnel assigned to two or more functions or programs are allocated based on the time spent in each function and program. School-based clerical salaries are allocated to school administration and partially to other programs to which they may be assigned. Principals and Vice-Principals salaries are allocated to school administration and may be partially allocated to other programs to recognize their other responsibilities.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

Categories of Salaries

- Principals, Vice-Principals, and Directors of Instruction employed under a personal services contract are categorized as Principals and Vice-Principals.
- Superintendents, Secretary-Treasurers, Exempt Staff, Trustees and other employees excluded from union contracts are categorized as Other Professionals.

l) Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The School District recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities.

Unrealized gains and losses from changes in the fair value of financial instruments are recognized in the statement of remeasurement gains and losses. Upon settlement, the cumulative gain or loss is reclassified from the statement of remeasurement gains and losses and recognized in the statement of operations. Interest and dividends attributable to financial instruments are reported in the statement of operations.

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

All financial assets are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations.

For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense.

Financial instruments have been accounted for prospectively since June 30, 2013 in accordance with public sector accounting standards as described above.

m) Measurement Uncertainty

Preparation of financial statements in accordance with the basis of accounting described in Note 2 (a) requires management to make estimates and assumptions that impact reported amounts of assets and liabilities at the date of the financial statements and revenues and expenses during the reporting periods. Significant areas requiring the use of management estimates relate to the potential impairment of assets, liabilities for contaminated sites, rates for amortization and estimated employee future benefits. Actual results could differ from those estimates.

n) Future Changes in Accounting Policies

PS 3400 Revenue issued November 2018 establishes standards on how to account for and report on revenue and is effective July 1, 2023. Specifically, it differentiates between revenue arising from transactions that include performance obligations, referred to as "exchange transactions", and transactions that do not have performance obligations, referred to as "non-exchange transactions".

Revenue from transactions with performance obligations should be recognized when (or as) the school district satisfies a performance obligation by providing the promised goods or services to a payor.

Revenue from transactions with no performance obligations should be recognized when a school district:

- (a) has the authority to claim or retain an inflow of economic resources; and
- (b) identifies a past transaction or event that gives rise to an asset.

This standard may be applied retroactively or prospectively. Management is in the process of assessing the impact of adopting this standard on the School District's financial results.

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 11 EMPLOYEE PENSION PLANS

The school district and its employees contribute to the Teachers' Pension Plan and Municipal Pension Plan, jointly trustee pension Plans. The board of trustees for these plans represents plan members and employers and is responsible for the management of the pension plan including investment of the assets and administration of benefits. The pension plans are multi-employer defined benefit pension plans. Basic pension benefits provided are based on a formula. As at December 31, 2022, the Teachers' Pension Plan has about 51,000 active members from school districts, and approximately 41,000 retired members from school districts. As of December 31, 2022 the Municipal Pension Plan has about 240,000 active members, of which approximately 30,000 are from school districts.

Every three years, an actuarial valuation is performed to assess the financial position of the plans and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plans. The actuary's calculated contribution rate is based on the entry age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plans. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The latest actuarial valuation of the Teachers' Pension Plan as at December 31, 2020, indicated a \$1,584 million surplus for basic pension benefits on a going concern basis. The next valuation will be December 31, 2023, with results available in 2024.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2021, indicated a \$3,761 million funding surplus for basic pension benefits on a going concern basis. The next valuation will be December 31, 2024, with results available in 2025.

Employers participating in the plans record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plans record accrued liabilities and accrued assets for the plans in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plans

School District No. 5 (Southeast Kootenay) expensed \$5,767,832 (2022 - \$5,429,900) for employer contributions to these plans in the year ended June 30, 2023.

NOTE 12 RELATED PARTY TRANSACTIONS

The School District is related through common ownership to all Province of British Columbia ministries, agencies, school districts, health authorities, colleges, universities, and crown corporations. Transactions with these entities, unless disclosed separately, are considered to be in the normal course of operations and are recorded at the exchange amount.

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 13 CONTRACTUAL OBLIGATIONS

The School District has equipment under operating leases. Lease commitments over the next five years are due as follows:

Fiscal Year	Amount
2023-24	\$ 70,450
2024-25	\$ 70,450
2025-26	\$ 16,610

NOTE 14 CONTRACTUAL RIGHTS

Contractual rights are rights to economic resources arising from contracts or agreements that will result in revenues and assets in the future. The School District's contractual rights arise because of contracts entered into for lease. The following table summarizes the contractual rights of the School District for future revenue.

Fiscal Year	Amount
2023-24	\$ 310,889
2024-25	\$ 219,725
2025-26	\$ 167,273

NOTE 15 CONTINGENCIES

In the ordinary course of operations, the School District has legal proceedings brought against it which remain outstanding at the year end. It is the opinion of management that final determination of these claims will not have material effect on the financial position or operations of the School District.

NOTE 16 EXPENSE BY OBJECT

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 18 ECONOMIC DEPENDENCE

The operations of the School District are dependent on continued funding from the Ministry of Education and Child Care and various governmental agencies to carry out its programs. These financial statements have been prepared on a going concern basis.

NOTE 19 PRIOR PERIOD ADJUSTMENTS

a) Change in Accounting Policy

On July 1, 2022 the School District adopted Canadian public sector accounting standard PS 3280 Asset Retirement Obligations. This new standard addresses the recognition, measurement, presentation and disclosure of legal obligations associated with the retirement of certain tangible capital assets such as asbestos removal in buildings that will undergo major renovation or demolition in the future (see Note 16). This standard was adopted using the modified retroactive approach.

On July 1, 2022 the School District recognized an asset retirement obligation relating to several owned buildings that contain asbestos and other hazardous materials. The liability has been measured at current cost as the timing and amounts of future cash flows cannot be estimated. The associated costs have been reported as an increase to the carrying value of the associated tangible capital assets. Accumulated amortization has been recorded from the later of, the date of acquisition of the related asset or April 1, 1988 (effective date of the *Hazardous Waste Regulation (April 1, 1988) – Part 6 – Management of Specific Hazardous Wastes*).

The impact of the prior period adjustment on the June 30, 2022 comparative amounts is as follows:

	Increase <u>(Decrease)</u>
Asset Retirement Obligation (liability)	\$2,509,795
Tangible Capital Assets - cost	2,509,795
Tangible Capital Assets – accumulated amortization	2,509,010
Operations & Maintenance Expense – Asset amortization	1,457
Accumulated Surplus – Invested in Capital Assets	(2,509,010)

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 19 PRIOR PERIOD ADJUSTMENTS (Continued)

b) Employee Benefit Plan Surplus

During the year Management determined that the School District had a surplus balance related to employee benefit plans premiums paid exceeding benefits expenses claimed. The employee benefits premium surplus balance has existed for over three years. Management determined that a prior period adjustment was required to set up the employee benefits premium surplus balance.

On July 1, 2022, the School District recognized the employee benefits premium surplus. The impact of the prior period adjustment on the June 30, 2022, comparative amounts is as follows:

	Increase (Decrease)
Accounts Receivables	\$1,298,629
Prepaid Expenses	819,234
Accumulated Surplus	2,117,863

NOTE 20 RISK MANAGEMENT

The School District has exposure to the following risks from its use of financial instruments: credit risk and liquidity risk.

The Board ensures that the School District has identified its risks and ensures that management monitors and controls them.

a) Credit risk:

Credit risk is the risk of financial loss to an institution if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Such risks arise principally from certain financial assets held consisting of cash, amounts receivable and investments.

The School District is exposed to credit risk in the event of non-performance by a borrower. This risk is mitigated as most amounts receivable are due from the Province and are collectible.

It is management's opinion that the School District is not exposed to significant credit risk associated with its cash deposits and investments as they are placed in recognized British Columbia institutions and the School District invests solely in term deposits.

SCHOOL DISTRICT NO. 5 (SOUTHEAST KOOTENAY)
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2023

NOTE 20 RISK MANAGEMENT (Continued)

b) Liquidity risk

Liquidity risk is the risk that the School District will not be able to meet its financial obligations as they become due.

The School District manages liquidity risk by continually monitoring actual and forecasted cash flows from operations and anticipated investing activities to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the School District's reputation.

Risk Management and insurance services for all School Districts in British Columbia are provided by the Risk Management Branch of the Ministry of Finance.

**Statement of Financial Information (SOFI)
School District No. 5 (Southeast Kootenay)
Fiscal Year Ended June 30, 2023**

Reconciliation of Payments (SOFI) to Audited Financial Statements

The differences between the combined totals for the Schedule of Remuneration and Expenses and the Schedule of Payments made for the Provision of Goods and Services contained within the Statement of Financial Information report and the districts Audited Financial statements – specifically Statement 2 – Statement of Revenue and Expense, are as indicated below in the Explanation of Variance.

Explanation of Variance – the SOFI schedules differ from the audited financial statements for the following reasons:

- The Schedule of Remuneration and Expenses is prepared on a cash basis and salary and benefits in the Financial Statements are on an accrual basis.
- The schedule of Payments for Goods and Services is prepared on a cash basis and expenditures in the Financial Statements are on an accrual basis.
- Payments to suppliers include 68% Goods and Services Tax on expenditures recorded in the Financial Statements and the financial statement entries are net of the G.S.T. rebates.
- The Schedule of Payments of Goods and Services includes payments made on behalf of third parties such as Parent Advisory Councils (PAC's). The third party recoveries of expenses from PAC's and school fundraising activities may not all be adjusted for in the schedules.
- Payments to benefit suppliers include taxable benefit amounts shown as remuneration on the Schedule of Remuneration and Expenses. Also, travel expenditures paid directly to suppliers may be duplicated in the employee expenses category.
- Other miscellaneous cost recoveries may not have been deducted from the payment schedules.

Prepared as required by *Financial Information Act*, RSBC 1996 Chapter 140
